

# The Fine Print

## Priority Care!

Non-Spermicidal sterile lubricating jelly formulated exclusively for all gynecological procedures requiring a sterile non-spermicidal lubricating jelly. Easy to use flip-top.

Price: \$3.50 / 5 oz tube.

## Servistim!

Stimulates the onset of Oestrus. Helps determine more accurately the onset of Oestrus

1. Improves fertility by reducing empty days
2. Decreases semen loss by improving positive reaction of the reproductive tract
3. Reduces the A.I. procedure time
4. Reduces the necessity of boar presence
5. Stimulates sexual response of gilt and sows during A.I.  
Has calming effect on gilts during A.I.

## Breeding Buddy!

This horseshoe shaped clamp exerts pressure on the flanks of the sow, which helps to stimulate uterine contractions and encourage semen flow.

## A.I. Rods!

We sell several styles of breeding rods, including gilt, yellow sow and spiral. Our price is \$100.00 per case.

Post cervical rods are \$200.00 per case.

## USED semen Fridge!

We currently have a couple of good used 4.3 cubic foot semen fridges for sale.

We also have two used 50 litre Koolatrons available. Please call for details and pricing.
